INTERNATIONAL ANTI DRUG DAY
REPORT

Every year June 26 is globally observed as international day against drug abuse to create awareness about issues related to drugs and to strengthen action and cooperation in achieving a world free of drug abuse. The aim of this year's campaign is to provide awareness about the importance of treating people who use drugs with respect and empathy, providing evidence based, voluntary services for all, offering alternatives to punishment, prioritizing prevention and leading with compassion. The campaign also aims to combat stigma and discrimination against people who use drugs by promoting language and attitudes that are respectful and nonjudgmental. Based on this theme our institution conducted an awareness class at parli higher secondary school on 26/06/2023. Kum.Praseetha P. & Smt.Salini M., Students of BVNCTE were the Resource Persons. Overall, it was an enlightening session for the students and many of them got the opportunity to clear their genuine doubts about the issue. It was an ideal class for spreading awareness on a day of great significance.
