

**2.4.3 Competency of effective communication is developed in students through several activities such as**

- 1) As part of B Ed curriculum during the second semester before teaching practice a workshop session is conducted
- 2) Stimulated sessions for practicing communication in different situations is being organized in our college.
- 3) Micro teaching is conducted in the first as part of syllabus. Different teaching skills are practiced by all students of all the options which includes
- 4) Students actively participate in institutional activities as anchor, debates, discussion .Many other programs are organized from the month of June to march every year from 2016 to 2021
- 5) Criticism is the part of B Ed curriculum during the second semester. Students are asked to take classes for about 40 minutes by the constructivist learning strategies method. After the class peer as well as teacher educators give them the feedback about their class which is conducted before their Teaching practice
