

#### **2.4.10 Nature of internee engagement during internship consists of**

Classroom teaching is the backbone of internship. A student collects the time table as well as the syllabus from the mentor teachers before the internship starts

During the teaching practice time table of the mentor teacher is given to the students by the respective teachers in charge.

Our psychology departments headed by laxmi kumar Pillai give our student's necessary counseling before the internship

We conduct PTA meeting at regular intervals. Teacher in charge along with our principal take initiative to co ordinate all the meetings and discuss about the present conditions of the students as well as our college.

Today's education system is not just confined to academics but modern-day schools focus on imparting skills to students like personality development, confidence building, communication skills, etiquettes, etc All the documents should be maintained properly. Record-keeping maintains student progress and activities in the school.

The duties of school and college administrators may vary depending on the size and type of school they work in.
