- 2) Discussion about the option meeting of new batch (2020-22)

1) Analysis of 1st semester result (2019-21 batch)

while compared to previous year's result this year is good. Hamna from natural science become the topper. only four students failed in certain subjects. over all the pass percentage is

- 2) Discussion about the option meeting of new batch (2020-22)

on behalf of principal Dr. Renuka mam an option meeting for the new batch (2020-22) held in the previous weeks.

from that meeting we gather information about

the class and also their requirements. majority required text books. and also majority preferred google meet online platform for teaching learning purpose. on the basis of their suggestions, teachers decided to share consolidated audio after each class or period. so that students can refer in the future also.

In addition to that we also discussed about the micro teaching, talents' day etc.

Teachers also decided to provide remedial teaching for the weak students of 2019-20 batch in connection with second semester examination.

Finally meeting ended with shantimantram
