

## **Annual Report**

Bharatheeya Vidya Nikethan College of Teacher Education started functioning in the year 2009 with a strength of 100 trainees in 6 optional subjects. The college is recognized by NCTE in the year 2008, affiliated to University of Calicut in the year 2009. The college received sanction from the Government also in the year 2009. Now we have 7 optional subjects.

### **Vision and Mission**

**Vision:** Our vision is to expose new areas of knowledge through consistent efforts with highly talented guides. Education means inculcating the best in the students. We are here to emphasize the need and urgencies to infuse new blood into the veins of our nation by revamping our system and tuning it with our national Values. To bring out teachers with outstanding qualities to cope up with the needs of modern age. To bring the upcoming teachers fully prepared to support the school systems with new technology exposed.

**Mission:** Education is not received. It is happened. Everyone is responsible for what one is and whatever one wishes oneself to be, one has the power to mold oneself. If what one is now has been the result of one's past action, it certainly applies that whatever one wish to be in future can be produced by one's present action; so, take up one idea. Let the brain, muscles, nerves, every part of our body, be full of that idea, and just leave every other idea alone. This is the way to success that is the way great spiritual giants are produced. To support the implementation of mission and goals an institutional academic plan for the whole sessions in prepared by the academic body of the institution, in which the activities related to teaching-learning, curricular and co-curricular activities are planned. To carry out these activities smoothly the human and financial resources are planned and obtained according to the norms.

### **Courses of study**

The sanctioned intake is 100 under 7 optional subjects, namely.

1. Commerce
2. English
3. Mathematics
4. Natural Science
5. Physical Science
6. Social Science
7. Sanskrit

### **Last year result**

We have 98.1% results in 2022, 109 students appeared for B.Ed Degree Examination among them 52 students scored more than 80% and 41 students scored more than 60% as per the result published by the University of Calicut.
